Announcements and Reminders

We would like to send out a huge warm welcome to our new Student Advocacy Counselor Alysia Bernicki! Welcome to the Wolf Pack

Also to Stacy Slipchuk who is our PUF Educational Assistant!

Our very own Laura Bennett has joined the wolf pack as our night time custodian! Thankyou for stepping in and keeping our small school shining!

Book your parent/teacher interviews by heading on over to our website www.ardmoreschool.ca and finding the bookings tab on the top right.

Check out the below pics for some fun activities the students have been doing. Grade 2 art from Iqaluit, Grade 7/8 pebble art. And ask your student about the fun new 9 square game the kids gotta play! It was quite the hit.

Welcome to the 2020/2021 Ardmore School Year!

Principal's Message

Welcome to March everyone, it has been a busy month. You may have noticed many NLPS trucks around the school lately, they are replacing all the lights in the school with new LED lights with dimmer switches. It has improved the lighting in all the spaces they are complete.

Report Card #2 is scheduled to go home with the students on March 16 and parent teacher interviews once again will be phone interviews. Please use the link www.ardmoreschool.ca to book your time. Interviews are going to take place from 4-7 pm on March 17 and March 18.

Finally if the weather stays as nice as predicted our playground area once again will be filled with puddles. Rubber boots are going to be a must in the not too distant future :)

Have a great March

Pink Shirt Day 2021

Pink Shirt Day was done a little differently this year. The cohorts couldn't be together for a heart photo so we took two halves and put them together in this photo. Apart but still together. ❤️

COVID Corner:

In the new year, we will continue to follow Covid Protocols as set out by the province and NLPS. Please continue to do the self check with your child(ren) every morning prior to coming to school. [Daily checklist for Children](#)
Also a reminder to parents that a mask is required if you are entering the school.

Medical Allergies or Needs

If your child has any special medical needs or allergies that we should be aware of please notify the school about it as soon as possible. If your child needs to take medication during the day please talk to Mrs. Marchand as we would like to keep everything at the office for safety reasons.

Attendance - Checking in/out procedures

Our procedures have changed a bit due to COVID restrictions. Our front doors will remain locked throughout the day. Due to the reduced hours of the administrative assistant we kindly ask you to report any change in pick up or bus riding schedule in your child's daily agenda. If your child is absent from school we will be making follow up phone calls, as per direction from the Education minister. Please report absences to the office by either a phone call or on school messenger.

School Messenger

Please visit our Division website for the School Messenger Parent guide or visit the link below. If you have any questions you can call our office and we'll be happy to assist you. <https://www.nlpsab.ca/parents/parent-tools/school-messenger2>

School Cash Online

Please go to <https://nlsd.schoolcashionline.com> to pay for various school activity fees, to order hot lunch, or to purchase from our milk program. We are trying to limit the amount of cash in the building and handling of money as part of our New COVID reality
