PRINCIPAL'S NOTE

October has flown by. We have been busy writing stories with the help of our Artist in Residence, Author Marty Chan. Every Tuesday and Thursday throughout October classes from Grades 2 through 7/8 met with Mr. Chan to develop their own stories.

Also, we completed our four sessions of swimming lessons over two weeks. Students spent four days at the Bonnyville pool learning about water safety and practicing their swimming skills to earn badges. Thank you to our parent volunteers and our students who helped make these lessons a success.

Looking ahead to November, teachers will be preparing our Term 1 report cards. These will be sent home on Tuesday, November 22.

Interviews are scheduled for November 24, we look forward to discussing your student's learning then.
