## PRINCIPAL'S NOTE

December is always a fun and exciting time at Ardmore School. Students and staff are busy preparing for our first in-person Christmas concert since December 2019!

As the snow falls and the winter holidays approach, it is the perfect time to teach our students about being helpful, grateful, generous, and kind. For this reason, we have a couple of service projects on the go during December. Please don't forget our Senior's Project at Bonnylodge or the used Toy Drive for Stepping Stones Crisis society.

We are so grateful to live and work in such a remarkably supportive community, and we are thankful that our students and staff remain healthy and happy. On behalf of the staff of Ardmore School, I want to wish each and every student and their family, a very Merry Christmas and a Happy New Year.

*Mrs. Charles*
